

# PRESS RELEASE

27 February 2017

RELEASE DATE: IMMEDIATELY

## **Summer Saturday Camps**

Jackson Education Support  
7048 Old Canton Road  
Suite 1003  
Ridgeland, MS 39157

Jackson Education Support (JE) presents Summer Saturday Camps for elementary students. Parents of children entering grades 2 and 3 in Fall 2017 are invited to register today. Two Summer Saturday Camps are provided. Saturday Math Camp is scheduled June 2017 and registration is open [here](#); Saturday Literacy Camp is July 2017 and registration is open [here](#).

For each camp, students meet four Saturdays for three hours (10a – 1p). Participants enjoy 12 hours of hands-on, engaging experiences aligned with Common Core ELA and Math Standards as well as Mississippi College- and Career-Readiness Standards. Diagnostic data along with student records (e.g., ATI/STAR assessment reports, report cards) shall be used to create a custom, interdisciplinary experience for students chosen for each camp.

Literacy and Math Camps take place at the Jackson Education Support (JE) Learning Center in Ridgeland. Transportation to the center is not provided. The non-refundable registration fee is \$25 per application and includes application processing as well as a diagnostic assessment. Parents may register for one or both camps on a single application. Each camp costs \$150, which includes snacks and learning materials. Summer Saturday Camp objectives include improving content knowledge and performance, increasing overall confidence, and bridging the transition to more challenging environments.

Jackson Education Support is a privately owned and operated firm unaffiliated with any school district. Services and products support development of more independent learners in literacy, math, and science.
