Employment Opportunity

RE: Educational Support Professional (Tutor)

Jackson Education Support

7048 Old Canton Road

Suite 1003

Ridgeland, MS 39157

About the Position: The successful candidate shall develop personalized learning experiences in literacy and math for clients of all ages. He or she shall be responsible for scheduling, planning, and implementing effective, data-driven teaching strategies toward development of more independent learners. Responsibilities include performance assessment and tracking as well. Pay range upon successful completion of independent contractor training: \$15 - \$20.

Position Requirements: This job requires a bachelor's degree in education or literacy-related field or math-related field and/ or experience in supporting the educational goals of learners, familiarity with MS Office applications, and a natural affinity for motivating others. The successful candidate shall own transportation and have availability during weekday evenings and/ or weekends. Apply [here](#).

Company Description: Jackson Education Support is a Mississippi-based education firm that exists to develop more independent learners by implementing personalized learning experiences and supporting parental engagement efforts. Specialty subjects include literacy, math, and science. Online and in-person options available to meet individual and organizational need. Learn more [here](#).
