## Summer Literacy Camp

Our curriculum places equal emphasis on the sophistication of what students read and the skill with which they read. During the camp, students shall experience a **steadily growing ability** to discern more from and make **fuller use of text**. The unit plan covers standards across all 3rd and 4th grade strands: Reading, Writing, Speaking and Listening, and Language.

## Summer Math Camp

Our curriculum offers a mix of procedure and understanding of math standards with greater emphasis on understanding. Participants strengthen their ability to apply mathematics to practical solutions, justify solutions, explain mathematics accurately to others, and embrace multiple means of problem solving. The unit plan covers standards across these 3rd and 4th grade strands: Operations & Algebraic Thinking, Numbers & Operations (Fractions), Measurement & Data, and Geometry.

## Overview

Learners entering grades 3 and 4 in Fall 2018 (current 2nd and 3rd graders) are invited to meet over **four Saturdays** for 8 hours of hands-on, engaging learning experiences aligned with national and state standards. Camp fee includes **diagnostic assessment** (\$75), learning materials, non-refundable application fee (\$25), and **snacks**. Objectives include gearing up students for the rigorous 3rd grade curriculum and helping students bridge gaps in learning prior to entering 4th grade.

Registration opens in May. Reserve your child's seat early!
